Indiana economic development corporation.

Sec. 5. As used in this chapter, "fund" refers to the high growth business incentive fund established by section 9 of this chapter.

Sec. 6. As used in this chapter, "grant or loan" refers to a high growth business incentive grant or loan awarded from the fund established by section 9 of this chapter.

Sec. 7. As used in this chapter, "high growth company with high skilled jobs" means a company that satisfies all of the following conditions:

(1) The company:

(A) had at least a fifteen percent (15%) average annual growth in company earnings during the past three (3) years;

(B) is entering a new product or process area; or

(C) is classified in an industry that had at least a fifteen percent (15%) average annual growth in earnings during the past three (3) years.

(2) The company has a substantial number of employees in jobs:

(A) requiring postsecondary education or its equivalent; or

(B) that are in occupational codes classified as high skill by the Bureau of Labor Statistics, United States Department of Labor.

(3) The company has a substantial number of employees who earn at least one hundred fifty percent (150%) of Indiana per capita personal income.

Sec. 8. As used in this chapter, "project" means the location or expansion in Indiana of a business of a high growth company with high skilled jobs.

Sec. 9. (a) The high growth business incentive fund is established to be used exclusively for the purposes of this chapter. The fund shall be administered by the corporation.

(b) The fund consists of appropriations from the general assembly, gifts and grants to the fund, and other money deposited in the fund by law.

(c) The treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public funds may be invested.

(d) The money in the fund at the end of a state fiscal year does not revert to the state general fund but remains in the fund to be used exclusively for the purposes of this chapter.

Sec. 10. The corporation may award a grant or loan to an

applicant for a project. The corporation may award the grant or loan to an applicant only if the corporation makes the following findings:

(1) The applicant's project will create new jobs that were not jobs previously performed by employees of the applicant in Indiana.

(2) The applicant's project is economically sound and will benefit the people of Indiana by increasing opportunities for employment and strengthening the economy of Indiana.

(3) The political subdivisions affected by the project have committed significant local incentives with respect to the project.

(4) Receiving the grant or loan is a major factor in the applicant's decision to go forward with the project, and not receiving the grant or loan will result in the applicant not creating new jobs in Indiana.

(5) Awarding the grant or loan will result in an overall positive fiscal impact to the state, as determined using the best available data to the corporation.

Sec. 11. The corporation, with the approval of the board and the budget agency, shall determine:

(1) the amount of the grant or loan to award for a project; and

(2) the terms and conditions under which the grant or loan is awarded.

Sec. 12. Before a distribution of a grant or a loan may be made from the fund, the budget agency must approve the grant or loan. After approval by the board, the corporation shall submit its recommendation concerning a proposed grant or loan to the budget agency in the form and in the manner specified by the budget agency. The budget agency shall review the recommendation and submit the recommendation to the budget committee for review. After review by the budget committee, the budget agency may approve, deny, or modify the recommendation.

Sec. 13. A grant or loan may not be made to provide a recurring source of revenue for the normal operating expenditures of a project.

Sec. 14. In determining the amount of the grant or loan that should be awarded to an applicant, the corporation and the budget agency may take into consideration the following factors:

(1) The economy of the county where the projected investment is to occur.

(2) The potential for the growth of the applicant's business in Indiana and the impact of the project on the economy of Indiana.

(3) The number of jobs and the incremental payroll attributable to the project.

(4) The capital investment and investment in intellectual and other intangible property that is attributable to the project.

(5) The proposed:

(A) number of Indiana employees with the project who will earn at least one hundred fifty percent (150%) of Indiana per capita personal income;

(B) average wage that will be paid to Indiana employees with the project who will earn at least one hundred fifty percent (150%) of Indiana per capita personal income; and

(C) average wage payable by the applicant to all Indiana employees with the project.

(6) The costs to Indiana and the affected political subdivisions with respect to the project.

(7) The financial assistance and incentives that are otherwise provided by Indiana and the affected political subdivisions.

Sec. 15. Whenever a grant or loan is awarded to an applicant, the corporation shall enter into an agreement with the applicant. The agreement must set forth:

(1) the obligations of the corporation and the applicant;

(2) the terms and conditions under which the grant or loan is awarded to the applicant; and

(3) the remedies available upon default.

The agreement must specify that the agreement is binding on the applicant and the applicant's successors.

Sec. 16. An agreement may provide that repayment of a loan granted to the applicant is partly or fully waived upon the completion of one (1) or more conditions specified in the agreement.

Sec. 17. An agreement may provide that if the applicant defaults on the terms and conditions specified in the agreement, the state may offset any amount that would otherwise be due from the state to the applicant against any amount owed to the state for a default under the agreement.

Sec. 18. Subject to the terms of an agreement with an applicant, a grant or loan may be used for any of the following purposes:

(1) Payment of expenses incurred by the applicant or another

entity in training employees who reside in Indiana and will be employed in the project.

(2) Payment of relocation expenses incurred by the applicant that are directly attributable to the project, including the cost of maintaining another facility in Indiana or another state until the facilities for the project are placed in service for a project.

(3) Payment of costs incurred by the applicant to purchase or pay lease rental payments on a capital lease for new or replacement equipment for the project.

(4) Payment of property assembly and development costs incurred by the applicant for the project, including:

(A) the purchase, lease, or construction of buildings and land;

(B) infrastructure improvements;

(C) site development costs; and

(D) design, survey, and other planning costs.

(5) Payment of any capital investment costs incurred by the applicant for the project.

(6) Payment of costs for improvements incurred by the applicant or another person related to transportation and access to the project.

(7) Payment of the principal and interest on bonds or loans or the establishment of a reserve for bonds or loans issued to pay any cost described in this section.

(8) Payment of the costs of obtaining a license to use a patent or other intangible property in Indiana at the project.

Sec. 19. The corporation may adopt rules and guidelines to implement this chapter.

Sec. 20. The corporation shall annually report to the general assembly in an electronic format under IC 5-14-6 the details and status of all grants and loans made under this chapter, including the identity of the recipients of grants or loans. The corporation may redact any private proprietary information reasonably necessary to preserve the intellectual property rights, proprietary business practices, and legitimate trade secrets of a recipient of a grant or loan.
